

## **MEMORANDUM OF UNDERSTANDING BETWEEN**

### **College of Communication Arts and Sciences at Michigan State University and The Maria Grzegorzewska University**

**The College of Communication Arts and Sciences at Michigan State University** is a leader in communication sciences in the world. Not only was it the first college of Communication in the United States, but it has continued to be a quantitative leader in the field. Michigan State University is a research-intensive university (e.g. R1, AAU member) with a wide breadth specializations.

**The Maria Grzegorzewska University (APS), Poland** is a public funded Institution of Higher Education, approved and Authorized by the Ministry of Education and Science, founded in 1922, has been in operation and good standing since.

The parties wish to establish a spirit of shared cooperation and to build long-term relationships for the benefit of their institutions, students, faculty, researchers, and respective communities.

In order to promote cooperation between **College of Communication Arts and Sciences at Michigan State University** and **the Maria Grzegorzewska University** the two institutions agree to encourage direct contact and cooperation between their students, faculty, research, and administrative staff.

Within fields that are mutually acceptable, the following general forms of cooperation will be pursued:

- Cultural, educational and research initiatives
- Exchange programs
- Internships
- Exchange of information
- Joint collaborative grant proposals

- Collaboration on Continuing Education programs and Certificates
- Capacity building and collaboration on graduate programs.
- Other activities which are relevant to both parties development.

Both parties understand that all financial arrangements will have to be negotiated and agreed upon with due regard to the availability of funds and other resources. Additionally, data sharing and exchanges may be subject to further protocols and agreements.

Specific details for the implementation of these activities will be developed mutually for specific projects and faculty or administrative personnel will be appointed by the parties to follow up on each project.

The Memorandum of Understanding envisages that there will be a specific subsidiary contract in writing for each particular project.
